

Client Complaint's Summary Policy

Purpose and Scope

The Client Complaints & Disputes Summary Policy (the "Policy") provides I.W.G. International Wealth Group Ltd (hereinafter "IWG" or the "Company") appropriate and efficient procedures for handling any Complaints that may result from the relationship with the Client.

This Policy is meant for use by IWG, its Clients/prospective Clients and relevant regulators.

Following the implementation of the Markets in Financial Instruments Directive (MiFID I & MiFID II) (Article 16(2) of Directive 2014/65/EU) and Law 87(I) 2017 IWG is required to establish, implement and maintain effective and transparent procedures for the prompt handling of Complaints received from clients' or potential clients. IWG shall keep a record of the complaint received and the measures taken for their resolution.

The Company shall ensure that their procedures for the handling of Client Complaints are broadly based on the following principles:

- **Independence:** IWG shall seek to provide an impartial service, which is accessible and freely available to the general public, with regards to Complaints against the Company and its services.
- **Transparency:** IWG shall ensure that Clients have all the necessary information about the procedures for handling their Complaints on transactions.
- **Adversarial:** IWG shall ensure that the Complainant, and any other interested party in the Complaint are given an opportunity to interact with the Complaints Manager. The Complaints Manager shall inform such parties about the progress of the investigation and their Complaint.
- **Effectiveness:** IWG shall ensure that Clients will benefit from the advantages of its Client complaint handling procedures, i.e. to provide:
 - Access without being obliged to utilize a professional representative (e.g. an accountant);
 - A procedure which is free of charge;

General Procedures

- The Complainant should submit a Complaint through compliance@interwealthgroup.com or through the other contact details as these are listed below.
- All Complaints will be acknowledged in writing within two (2) business days of being received.
- An internal register is in place and as soon as the Complaint is received, it is allocated a unique reference number (URN). Following this, the URN is entered into a log. - The written acknowledgement sent by the Company to the Complainant will include the Complainant's unique ten-digit reference number, the timeframe in which a response will be given and enclose the complaints handling procedure. The Complainant is informed to use the said URN in all future contact with IWG, the Financial Ombudsman and or CySEC regarding the specific Complaint. The acknowledgement will also provide the name and capacity of the person

dealing with the Complaint and if a resolution is not provided in the initial communication, the letter of acknowledgement will confirm when a further update will be provided.

- If a resolution is not concluded within two (2) months following the submission of the Complaint, the Complainant will be informed in writing of the reasons for the delay and when they should expect completion of the investigation process (this period will not exceed three (3) months from the submission of the Complaint).
- Within fourteen (14) business days of the completion of an investigation a written report must be sent to the Complainant explaining clearly:
 - The outcome of the investigation,

 - a statement of the fact that the Company will treat the Complaint as settled if the Complainant does not indicate dissatisfaction within one month of receiving the report.
